Public Information Meeting

Methuen Rotary Reconstruction Project

Thursday, June 12, 2014 – 7:00-9:00 PM

Methuen Senior Activity Center

77 Lowell St., Methuen

Construction of improvements at the Methuen Rotary, I-93 Exit 46 at Route 110/113 will begin soon!

This meeting will describe the proposed improvements and provide details about the schedule, construction phasing and traffic management plans. The Methuen Rotary Reconstruction Project includes replacing the Route 110, Route 113, and I-93 Rotary in Methuen to alleviate significant congestion and safety concerns.

The project will replace the existing rotary with a partial cloverleaf interchange; will build or realign four ramps; build new I-93 loop ramps; realign Route 110/113; build new signalized intersections east and west of the interchange; and improve conditions for pedestrians and cyclists.

If you have questions about the Methuen Rotary Reconstruction Project, would like more information or to join our email distribution lists to keep up-to-date on traffic and construction progress, visit the project website http://methuenrotary.mhd.state.ma.us/

For additional concerns contact Dan Fielding, MassDOT Legislative & Community Affairs at 857-368-8959 or daniel.fielding@dot.state.ma.us

This meeting is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), fax (857-368-0602), TTD/TTY (857-368-0603) or by email MASSDOT.CivilRights@dot.state.ma.us.
