Re: Christmas Tree Recycling

With the New Town Hall under construction the lower parking lot will not be used this year for Christmas tree drop off. We will post signs asking residents to use the other drop off locations this year.

Christmas trees only may be dropped off for recycling at the following locations until January 31st

- Council on Aging parking lot on Mammoth Road
- Tree Department parking lot on Lakeview Avenue
- Hovey Ball Field parking lot on Pleasant Street
- Richardson Cemetery driveway on Broadway Road
- Varnum Cemetery driveway on Parker Road
- Cemetery Department parking lot on Leavitt Street

Please no wreaths and remove all bags and plastic netting before disposal.

Michael R. Buxton
Public Works Director

cc: Board of Selectmen
Katie Roark – Town Assessor
Glen Edwards – Assistant Town Manager
