Public Information Meeting

Methuen Rotary Reconstruction Project

Thursday, June 12, 2014 – **5:30-7:00 PM**

Methuen Senior Activity Center

77 Lowell St., Methuen

Construction of improvements at the Methuen Rotary, I-93 Exit 46 at Route 110/113 will begin soon!

This meeting will describe the proposed improvements and provide details about the schedule, construction phasing and traffic management plans. The Methuen Rotary Reconstruction Project includes replacing the Route 110, Route 113, and I-93 Rotary in Methuen to alleviate significant congestion and safety concerns.

The project will replace the existing rotary with a partial cloverleaf interchange; will build or realign four ramps; build new I-93 loop ramps; realign Route 110/113; build new signalized intersections east and west of the interchange; and improve conditions for pedestrians and cyclists.
