

**Beaver Brook Farms
Visioning Committee
Minutes May 15, 2015**

Present for the Committee: Chairman Ellis Neofotistos, Warren Shaw, May Paquette, Debra Dewitt Ahern, Don Plummer, and David Paquin. Also present was recording Secretary Suzanne Noel. The meeting was held at the Town Hall in the 2nd floor conference room. **Absent:** Andrew Graham.

Chairman Neofotistos opened the meeting at 6:05 p.m.

Chairman Neofotistos discussed the upcoming meeting with the CPC and noted that it is scheduled for next Tuesday the 19th of May at 7:00 in the downstairs conference room at Town Hall.

The Committee discussed the presentation, done by Mr. Plummer, that will be shown to the public the night of Town Meeting and who would be presenting. Ms. Dewitt-Ahern stated that since Don Plummer is a member of both the CPC and the Visioning Committee he would be the best candidate. The Chairman and the committee agreed they would not want to offend the CPC by taking the lead on this presentation and Don did design the presentation.

Chairman Neofotistos presented a hand out that listed potential questions that could be asked during Town Meeting. The Board agreed that the more prepared they are the more apt they are to have positive results. Several members added to the questions and answer handout.

The Committee spoke about the funding and noted that they would have to include the consultant fee along with the cost of the property. They also spoke about the Grant writing and stated that the Town Manager, Mr. Duggan and Town Counsel, James Hall would have to figure this all out and incorporate into the master plan.

Mr. Plummer showed the Committee the video presentation that will be shown at Town Meeting. After viewing the presentation the Board decided that they would not need a brochure the video is sufficient.

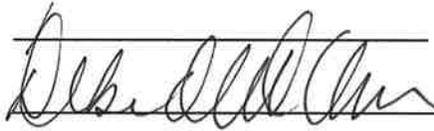

Mr. Plummer made a motion to approve the May 7, 2015 minutes and seconded by May Paquette. The motion passed unanimously. Mr. Shaw and Ms. Dewitt-Ahern abstained.

The Board will meet again on Thursday the 21st of May at 6:00.
