Town Hall Project

Present were: Jon Lemieux and Jim Boudreau of Vertex
Attorney James P. Hall, Town Counsel

Mr. Hall was asked his opinion on issuing the evaluation. Mr. Hall stated that if the Contractor were to receive a non-passing score it obviously would hamper the progress the Committee is trying to make for them to complete the project. He stated that it would most likely lead to litigation as well.

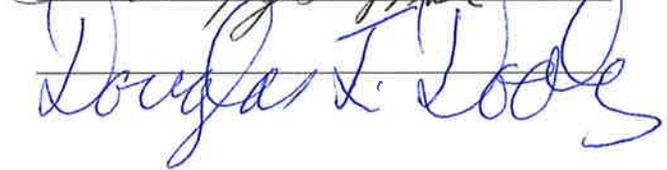

A brief discussion ensued on the letter to the editor that was drafted by Vertex. Several comments were made by Attorney Hall as to form and grammar.

The Committee will continue their discussion in open session giving direction to Town Counsel on the evaluation and letter to the editor for the Lowell Sun.

The executive session ended at 6:05 p.m.
