

Trash and recycling are on regular schedule this week -

**Trash pickup will occur UNLESS the Governor declares a State Wide State of Emergency, at which time the Holiday schedule will take effect.**

**If you had your trash out by 7:00 a.m.** and it was missed, please call either (978) 452-1908 or (978) 452-1227 to report it and we will try to get the trash company back for pickup.

Please make every effort to have your barrels out by 7:00 a.m.
