
Murphy's Farm response

From Edward Patenaude <epatenaude@dracutma.gov>

Date Thu 10/16/2025 1:26 PM

To Alison Manugian <amanugian@dracutma.gov>

Alison, after reviewing the plans I do not have any issues with this project from a DPW standpoint seeing this is a 40B project and the road and infrastructure maintenance is on the owner.
