

Bulky Item Collection Service

Bulky items are household trash that don't fit in the wheeled trash cart (e.g. table, mattress, sofa). Acceptable items are based on Massachusetts waste bans and our solid waste disposal contract. One bulky item per week is allowed at no charge but this is a pre-registered service and residents must call at least 48 hours in advance of your trash collection day to Republic Services at tel.# 800 442-9006 (Ext. 6).

The following are **acceptable** Bulk Items
