

Dracut Fire Department

Helping to keep our Seniors **SAFE!!**

The Dracut Fire Department now offers free Home Fire Safety Visits for our Senior residents to provide Fire Safety Assessments of your homes!! We will provide an assessment of and provide recommendations for corrective measures in the following critical safety areas of your home:

- * Smoke and Carbon Monoxide (CO) alarms
- * Proper combustible clearances from appliances
- * Dryers
- * Fire Extinguishers
- * Fall/Trip Hazards
- * House Numbers

We will also provide Fire Safety Lessons in the following topic areas: smoking and home oxygen use, candle safety, cooking safety, electrical safety, File of Life packets, calling 911, bed shakers

We will also install smoke and carbon monoxide alarms, and bed shakers **free of charge** for those residents in need

On the day of our visit, two of our firefighters will come to your home to perform a Fire Safety Assessment, install smoke/CO alarms and bed shakers as needed, and provide fire safety lessons and pamphlets, all free of charge!!

Please call your Dracut Fire Department at 978-454-2113 x14 (Deputy Chief Thomas Mackey) today to schedule your free Home Fire Safety visit!!
